Williamstown Township Township Board Meeting Minutes October 12, 2022

Call to Order

The Williamstown Township Board of Trustees held their regular meeting at 7:00 p.m. on October 12, 2022. Supervisor Bloomquist called the meeting to order, reviewed the agenda, and led the Pledge of Allegiance.

Roll Call

Present: Supervisor Bloomquist, Trustee Eyster, Clerk Cleveland, Trustee Duffy, and Trustee Steinberg.

Supervisor Bloomquist outlined the process and expectations for public comments.

Trustee Eyster moved that the Board move the Damon Road Seasonal Display discussion to follow the Meridian Township Quarterly Police Report.

Seconded by: Trustee Steinberg

Motion Passed.

Public Comment for agenda and non-agenda items

Opened at 7:10 PM

Nancy Horton, 5632 Shoeman Rd.: Ms. Horton spoke in support of the seasonal holiday display and is unsupportive of the term blight. She did not observe destruction of neighbor property when the light display was operational.

Cheryl Underwood, 177 Damon Rd.: Ms. Underwood requested to read a letter she wrote aloud to the Board and submit it for the public record. She also asked the Board to allow her to exceed the three (3) minute time allotment during Public Comment in order to read her letter in its entirety. Supervisor Bloomquist granted her request.

Kelly Roe, 55 Damon Rd.: Ms. Roe spoke in support of the seasonal holiday display. She expressed a desire to understand the research, investigation, and procedures for making the determinations in relation to the Township Ordinances. Ms. Roe shared her observations around safety, parking, accessibility, and neighbor complaints. She stated that she understands the position of the Township, however moving forward she reiterated a desire to know what procedures are implemented when making decisions.

Jennifer Warda, 4077 Meadowdale Dr.: Ms. Warda expressed concern that this is dangerous precedent setting for our Township and that a minority is determining what neighbors can display. She stated further concern for religious bias and its potential for infringement of others' rights.

Ashley Baker, 5632 Shoeman Rd.: Ms. Baker shared concerns regarding the Township's Blight Ordinance. She questioned the level of research the Township undertakes, as well as the experience necessary, when making determinations. Ms. Baker said she felt as though the background information being obtained is not reasonable. She shared her observations of safety, precautions, and respect for neighbors. She expressed that Townships should keep residents safe, not police residents or tell them how to live on their personal property.

Gerre Lou Imhoff, 1210 Gulick Rd.: Ms. Imhoff shared her concern for citizens' rights and the disappointment of children. She said this decision felt like one more bite out of Americana.

John Foley, 936 Fairway Lane, Lansing: Mr. Foley shared that Williamston makes him think of communities, family, and things that bring people together. He has viewed the display yearly and noted that it brings families together. Mr. Foley views it as a wholesome celebration; a positive when so many other things are a negative. He expressed that he was impressed with Ms. Underwood's solution and that if the seasonal display is discontinued it could be a loss for the whole Lansing area.

Melody Wallace, Williamstown Township: Ms. Wallace expressed concern that she is no longer receiving any email communications from the Township and that peoples' addresses should not be required to be shared in Public Comment. She advised that the township not disclose them. Ms. Wallace feels the overall determination was speculative at best, not grounded in fact and referenced a legal case in Florida.

Lauren Marinez, 1459 Wilshire, Haslett: Ms. Marinez stated that this community is fortunate to have Cheryl Underwood as a resident and that she is well-intentioned. She asked the Board to please consider her request.

Bob Barkham, 180 Haslett Rd.: Mr. Barkham commented on the joy of the holiday season. He stated that one resident should not impact the display. He expressed his willingness to fix any neighbor's yard, if a need arose.

Closed at 7:46 PM

Consent Agenda

Trustee Steinberg moved the consent agenda consisting of:

- General Fund Accounts Payable Paid #1, check numbers 31104-31111, for a total of \$6,882.87. Accounts Payable Paid #2, check numbers 31112-31115, for a total of \$1,596.35, and Accounts Payable Paid #3, check number 31132-31134, for a total of \$3,011.73.

- General Fund Accounts Payable for Approval #1, check numbers 31116-31131, for a total of \$13,552.69 and Accounts Payable for Approval #2, check number 31135, for a total of \$691.00.
- September Payroll Paid check numbers 51005-51011 and EFT 764, for a total of \$8,087.15 (phys. check amount), and Direct Deposit DD226-247, for a total of \$21,891.10.
- Revenue and Expenditure report ending September 30, 2022.
- Building Inspection Report
- Draft Planning Commission Minutes
- Police Report

Seconded by: Trustee Eyster

Discussion: Supervisor Bloomquist noted the Treasurer Report missing due to illness. Trustee Steinberg asked for the September 14, 2022 Board Meeting Minutes to be pulled from the Consent Agenda for review later in the meeting. The Board supported the request.

Roll Call Vote:

Ayes: Trustee Eyster, Clerk Cleveland, Trustee Duffy, Trustee Steinberg and Supervisor Bloomquist

Nays: None

Motion Passed.

Damon Rd. Seasonal Display Board Discussion – Supervisor Bloomquist summarized concerns from Damon Rd. residents, the process used in determining where the display fits in relation to the Blight Ordinance, the role of the Township in a situation such as this, and suggested solutions to the situation. Board discussion ensued.

Letters/emails of concern were shared with the Board noting that traffic in the neighborhood varied but peaked at 350 cars per night. It was noted that if a health emergency arose, emergency vehicles would be unable to

access the neighborhood. There are times when there are no issues with the traffic and there are times when issues are present.

Procedurally, when ordinance complaints are reported to the Township, they are investigated with a letter sent if a violation is found. Supervisor Bloomquist is not necessarily the person who would complete investigations, it could be the Township Planning Assistant or Building Inspector. In this case, Supervisor Bloomquist was the investigator. She had visited the display four to five times after receiving complaints. Supervisor Bloomquist expressed a desire to be fair and considerate. The purpose of the letter was to ensure Ms. Underwood understood her rights with regards to the ordinance. She stated that no one wants to regulate holiday lights, however the Township does regulate issues within the blight ordinance.

It is advised that Ms. Underwood work with her neighbors regarding the display so that the Township is not receiving complaints. Many of the displays are interactive. Thus, it is not always a drive-by situation. Access could be better if the seasonal display was placed in a non-residential area, such as a fairgrounds or other public space where the ability to park and move around safely is present, instead of a dead end street.

Trustee Steinberg stressed that this situation illustrates the difficulty of meeting the needs of all people. He recommended reviewing Ms. Underwood's changes and determine if it would remedy the situation from the point of view of the neighbors. He stated that the changes should be considered if they remedy the violations of the ordinance. He questioned if there is middle ground or a way to have the seasonal display safely? He supported that neighbors need to be involved and make their voices heard to Ms. Underwood. It needs a discussion instead of anonymous complaints.

The complaints began in 2020 and it is Supervisor Bloomquist's understanding that the neighbors have expressed their concerns with Ms. Underwood..

He wondered if there could be a solution where the traffic flow kept moving or if the Township could host it? He wondered if that could lessen the liability. Supervisor Bloomquist noted that it would have to be a discussion by the Board.

Trustee Eyster noted that these seasonal displays, for both Halloween and Christmas, are each 30 days – for a total of 60 days. That is almost 1/6 of a year. She also noted that people visit for much longer periods of times over the weekends (Friday-Sunday). She recalled how much the Planning Commission struggled with determining how long things like fireworks could occur. The time for Ms. Underwood's display exceeds what would have been permitted in the past. Trustee Eyster would like to seek confirmation on all the holidays that have a seasonal display on Ms. Underwood's Damon Rd. residence and a calculation of the amount of days that each is available for public display/drive-by. She noted that this situation should follow the standard Township process. This gives residents who have direct exposure an opportunity to express their feelings. Trustee Eyster reasoned that if you permit something to occur – then you will have to allow it for everyone. This has more implications than just one holiday display.

Trustee Duffy noted that there are other sizable displays in the area. He questioned if those neighbors minded? He feels as though there needs to be less oversight. Residents should be able to do what they want on their property.

Supervisor Bloomquist noted agreement, except when it affects one's neighbors. She stated that it is the reason why the Township has ordinances in general. It is a balance between protecting those who want to do what they want and protecting the rights of neighbors to enjoy their property as well. Supervisor Bloomquist reiterated that Ms. Underwood needs to reach out to her neighbors, propose a solution, and see if it is sufficient. Unfortunately, the proposed changes were not discussed after the December 21,2021 letter was received. The Township could have worked with the compromise had a decision been reached with neighbors prior to now.

Supervisor Bloomquist noted that her next steps would include a follow-up communication to Ms. Underwood that included another invitation to work with the Township. The communication would also include the suggestion of reaching out to her neighbors. She would also be seeking clarification from Ingham County Road Department about the turn-around at the end of Damon Road to determine if it is considered a cul-de-sac or part of a private drive.

Brenda Seelman – Clark Schaefer Hackett CPAs and Advisors – Presented a review of the Williamstown Township Audit for the fiscal year ending March 31, 2022. She noted that their report format changed this year and audit opinions are now listed first. Ms. Seelman provided highlights of the report with regards to the Township's current revenue and expenditures, as well as the capital assets and general fund balance. Additionally, she provided a summary of the Township's net position, which has seen an overall increase. She reported that due to the implementations of last year's recommendations, there are no recommendations for this year.

Sgt. McCready for Chief Plaga – Meridian Township Police – Sgt. McCready reviewed the quarterly report in comparison to this time last year. He highlighted current and upcoming projects for the Meridian Township Police Department including the Beard Fundraiser for charitable organizations, Halloween Open House on 10/29, and the Citizens' Academy. Williamstown Township currently does not have any residents enrolled. The Youth Academy will take place in February 2023. This event is for high school students who are interested in law enforcement. He encouraged anyone in high school, with an interest, to enroll. Sgt. McCready also updated the Board on department staffing. Recently two officers completed the field training program and two more have just begun. There are five officers currently in the Police Academy who will then have to go into the field training program. The department has recently reevaluated its pay structure to attract more people and hires, as well retain them. They are authorized for 41 officers, and they are making strides to get there.

Planning Commission (PC) Report – Chair Eidt shared a summary of the October 5th Planning Commission Meeting. The second public hearing on Event Barns was held. Due to the federal case on the Peninsula Wineries, it was referred back to the subcommittee where modifications were considered around alcohol, music, event frequency and capacity. Deliberation on the modifications of the proposed Event Barn draft ordinance language will occur at the November 2nd PC Meeting. The Commission considered proposed updates to the Home Occupation Ordinance regarding Telecommunications. After the discussion, the topic was tabled. Further clarification and direction from the Board will be sought for future inclusion or not. Proposed Medical Marijuana, under the Home Occupation Ordinance, was also reviewed. McKenna will provide updated recommendations based on the discussion held.. A Public Hearing on Farm Signs on Residential Property was called. A Subcommittee for Capital Improvement Planning was established and will work to make recommendations to the PC and Board. A November 2nd PC Meeting was scheduled due to the Thanksgiving holiday. A second subcommittee was created to determine the slate of officers for the upcoming year. Board discussion ensued with Chair Eidt around implications of the Peninsula Wineries case and telecommunications.

Review of September 14, 2022 Board Meeting Minutes – No action taken. Action will be taken at the November 15th Board Meeting.

Motion Passed.

<u>Planning Commission Reappointments</u>

Trustee Steinberg moved the Township Board approve the reappointment of Ron Poth and Donna Tocarchick to serve on the planning commission with terms expiring September 2025.

Seconded by: Trustee Eyster

Discussion: Supervisor Bloomquist indicated that both commissioners expressed a desire to be reappointed. It was noted that these are three-year appointments for renewal. Their professional qualities, willingness to serve, learn, and participate, as well as their commitment and dedication to the township were shared by Chairman Eidt. Clerk Cleveland noted the Township's continued adherence to its Ethics Policy and the continued willingness of commissioners, committee members, and elected officials to abide by it.

Motion Passed.

DISCUSSION ITEMS

Recycling Grant – Supervisor Bloomquist shared that the Township received the grant. The contract should be received in the next few weeks and more information should be available. It will be on the November Board Agenda. At that time, discussion can occur regarding determinations for moving forward. It was noted that this initiative has been on the Board's radar for a very long time and many residents will be pleased.

Strategic Planning Workshop – Supervisor Bloomquist reminded the Board of its Strategic Planning decision to work with Dr. Bender for a 6-month review. Dates were considered and discussion ensued. It was stressed that the Township Strategic Plan should inform the budget, as well as the work of the Capital Improvement Plan (when completed). Therefore, the October 19th Budget Workshop will be cancelled and rescheduled after the work with Dr. Bender. In addition, the hour work session before the November Board Meeting will also be cancelled. The Board will tentatively plan for a daytime session on December 7 at a cost of \$2500 plus travel (split between 3 communities) for Dr. Bender's services.

Reports – Departments and Committees

NIESA – No new report due to meeting schedule.

Parks and Recreation Committee – Harvest Festival is ready to be hosted. It will include a race, christening the forest, family activities, music, and food. It was noted that there was great advertising ahead of this event.

Environmental Committee/Forestry Grant – Trustee Eyster extended her appreciation on the amount of help received on this grant. Over 100 people/ residents came out to the park and gave of their time over the course of the project. The youngest volunteer was 2 years old and the oldest was 82. The DNR was very impressed by the final report for the Forest Project and noted that it was very well done. The Board complimented Trustee Eyster on her efforts on the grant and at the park.

Elections – Clerk Cleveland shared that the Deputy Treasurer and Deputy Clerk have been working to disseminate ballots. She continues to work to determine if new legislation regarding Public Act 195 2022 has implications for Williamstown Township's upcoming November Election. If so, it would begin October 20th. It may have implications for the Township for future elections. Clerk Cleveland also addressed Proposal 2 and noted that there are good things and there are aspects of concern to be considered with regards to elections. She also shared that she had the opportunity to speak to the Williamston Senior Center and was able to provide a great deal of good election information to its membership.

Ingham County Chapter of the Michigan Township Association – This group will be meeting on Wednesday, October 26, at the Gene Wrigglesworth Training Center at 630 Cedar St. for a tour of the new jail. Tours will begin at 5pm and last approximately 45 minutes. Supervisor Bloomquist will send more information out to the Board Members.

Public comment for agenda and non-agenda items

Opened at 9:42 PM

Rosemary Harmon, Haslett: Ms. Harmon's family has visited the Seasonal Light Display with her family. They will often go on a busy weekend night but wait until later after the congestion has lessened. She stressed that the display is for both young kids and adults and that the week that you will see up to 350 cars is the week leading up to Christmas. Ms. Harmon noted that some neighbors are difficult to engage in conversation with or complain in any neighborhood because some people are just that way. Currently, at this time in our country, this was a gesture that meant a great deal to people. She emphasized that social media comments are a part of society, and it has removed personal interaction. She is hopeful that it can be worked out with the neighbors because the display brings them joy.

Jerry Eidt, Planning Commission Chair/Resident 4115 Vanneter Rd: Chair Eidt suggested referring Ms. Underwood to the Williamstown Zoning Board of Appeals (ZBA) to assist with an amicable resolution. The ZBA would act as the intermediary between the neighbors and Ms. Underwood. Mr. Eidt acknowledged the passion and outpouring shared by local and neighboring residents and felt hopeful that there was something the ZBA could do. He suggested including this invitation in Supervisor Bloomquist's letter and explaining the process to make this happen. He reminded the Board that there are steps in place to ensure fairness. Additionally, Chair Eidt shared he was upset at the mean comments directed at Supervisor Bloomquist recently. He noted that she is a giving, public servant and felt badly at the direction of the letter shared this evening.

Ron Poth, Planning Commissioner/4075 N. Williamston Rd.: Mr. Poth supports Mr. Eidt's sentiments. He noted that the Board needs to make the first step forward. This evening's Public Comments were not the way to resolve this. Ms. Underwood had waited for 10 ½ months before approaching the Township Supervisor. He encouraged Supervisor Bloomquist to write another letter to Ms. Underwood encouraging her to work with the Damon Rd. neighbors and consider of next steps.

MCKENNA

November 12, 2022

Hon. Wanda Bloomquist Township Supervisor Williamstown Township 4990 N. Zimmer Rd. Williamston, MI 48895

Subject: Concerns about the Blight Control Ordinance

Dear Supervisor Bloomquist:

Based on our discussion, I reviewed the Blight Control Ordinance (Ordinance No. 18) to identify revisions that would strengthen the Ordinance. There have been several instances in the past where greater clarity in the Ordinance would have helped in the resolution of problems in the Township.

The Ordinance should actually be called a Nuisance Ordinance, since the Ordinance is really intended to deal with nuisances. Blight, which is the state of being deteriorated or dilapidated, is considered one type of nuisance.

The Ordinance could be better organized. Section 2, which identifies several types of nuisances, should be combined with Sections 6 and 7, which address two additional nuisances, abandoned motor vehicles and excessive noise. Sections 3, 4 5, 8, 9, and 10 should be grouped together since they all deal with procedural or administrative concerns.

The Ordinance fails to address some common nuisances dealing with excessive exterior lighting, dangerous structures, property maintenance, and litter. It would be worthwhile to include provisions dealing with these topics in the Ordinance, keeping in mind the Township's desire to not be over-regulatory.

For various reasons, the following existing provisions should be revised:

- Section 2.F deals with keeping bees. This section should refer to and be coordinated with the newly adopted provisions in the Zoning Ordinance dealing with beekeeping.
- Section 2.G deals with the keeping of horses and livestock. This section should note that the Michigan Right to Farm Act and GAAMPs supersede Ordinance regulations on farms in certain instances.
- Section 4 provides for a hearing to be conducted by the Supervisor or his/her designee to review nuisance complaints. We recommend that a committee of three be identified (the Supervisor plus two others) to conduct such hearings, to obtain a broader perspective on the situation and to deflect potential anger related to a decision on the nuisance.
- Section 7 addresses unlawful noise, but it totally lacks measurable standards in the form of maximum noise/sound levels expressed in decibels. Fortunately, the Zoning Ordinance contains reasonable measurable noise standards that can either be copied over into the Nuisance Ordinance or incorporated

by reference. The Nuisance Ordinance and Zoning Ordinance should be setting forth the same standards with respect to noise.

A general goal should be to incorporate measurable standards into the Ordinance wherever possible, rather than rely on subjective evaluations. For example, if exterior lighting provisions are incorporated into the Ordinance, it would be appropriate to include maximum light levels at the property line expressed in footcandles.

Finally, if possible, it would be worthwhile to include language in the Ordinance that would help distinguish between cases that are strictly private matters between two neighbors versus cases that are public matters that require the involvement of Township officials.

If you have any questions regarding the information presented herein, please feel free to contact me.

Sincerely,

McKENNA
